Green Bowls Evening

A group of CSSC members joined Camp Hill Bowling Club for an evening of green bowls on Sunday 10 August. The regular bowlers were more than happy to teach us newbies the basics of the game and were patient as we learned new skills, etiquette and terminology. We were each put into a team with a couple of experts and took part in a friendly tournament.

The bowling was followed by a fish & chip supper – very nice! And there was also a table quiz and a raffle – all for the price of the fish & chips!

This was a very enjoyable evening and our thanks go to all the bowlers who made us feel so welcome and to Terry Stack and Tom Nother for organising the event.

Summer Barbeque & Petanque Evening

We were a bit worried that the weather wouldn't hold but in the event there were only a few drops of rain and that didn't dampen any spirits as about fifty people enjoyed an evening of plentiful and tasty barbeque, an exiting petanque competition and dancing to our favourite band – *Driving South*.

Ten teams entered the Petanque competition – including one team of children who were very keen and competitive. The first stage was a straight knock-out to give us three teams for a round-robin final. This was a nail biting finish won by “No Proper Jobs” from HMRC, second was “Rachel's Girls” from DWP and third was “Sybil”

Thanks go to Ian for his culinary skills on the BBQ and Simon for organising the petanque competition
